About Addison Group

Addison Group is a leading professional services firm specializing in talent solutions (staffing) and consulting services, offering a full suite of capabilities across multiple practice areas.

Our staffing capabilities include health information management, revenue cycle, healthcare leadership, and everything in between for your non-clinical healthcare needs.

We're a full-service non-clinical healthcare provider offering a boutique experience with national reach.

If you need an expert in medical coding or the right Inpatient/Outpatient Auditor, or you need to bring on a Health Information Management Director, we'll work closely with you to find the right fit.

The Addison Group difference

We know that great teams start with great people.

That means we focus on quality, not quotas. It means we're laser-focused on seeing candidates beyond their resumes to understand their goals and make sure they align with your mission. It means working with you to get detailed insights on your teams so we can find people who fit, not just who's available. **No one gets talent like Addison Group.™**
