

Your trusted partner for Information Technology talent

About Addison Group

Addison Group is a leading professional services firm specializing in talent solutions (staffing) and consulting services, offering a full suite of capabilities across multiple practice areas.

Our team staffs all levels of technology positions, from entry-level to executive. From legacy systems to emerging technologies, we cover the full spectrum.

We're a full-service information technology provider offering a boutique experience with national reach.

If you need an expert in AI or the right Product Engineer, or you need to acquire a UI Developer, we will work closely with you to find the right fit.

The Addison Group difference

We know that great teams start with great people.

That means we focus on quality, not quotas. It means we're laser-focused on seeing candidates beyond their resumes to understand their goals and make sure they align with your mission. It means working with you to get detailed insights on your teams so we can find people who fit, not just who's available. **No one gets talent like Addison Group.™**
